1 Slides and navigation

The home page is a row of 11 slides. You start on Home (2/11).

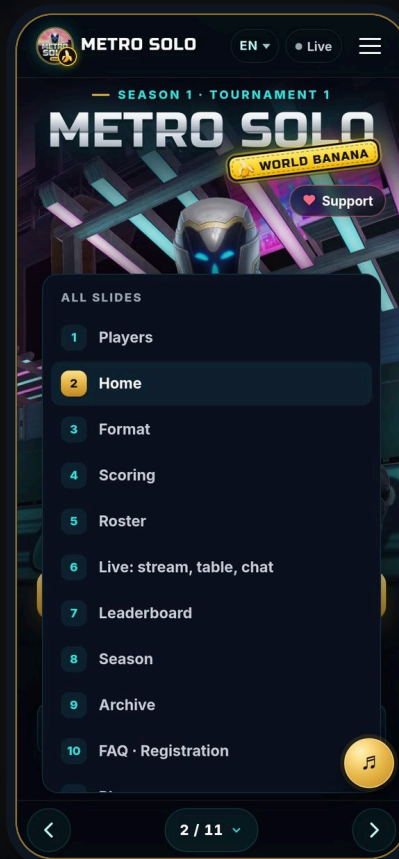

- ◆ Swipe left or right, or tap the < > arrows at the bottom.
- ◆ **Players** is the first slide, to the **left** of Home: swipe right from Home to see who is registered.
- ◆ Tap the counter (2 / 11) to open the list of all slides and jump to any of them.
- ◆ The ☰ menu (top right) opens every page: Live, Players, Archive, Season, Rules, Complaints, FAQ, Support and this guide.

2 Registration

Registration is free. 20 slots per tournament, first come, first served.

- ◆ Tap **Register now** (Home, menu or any page). The form opens on the FAQ · Registration slide.
- ◆ Nickname: exactly as in Population One. Add Telegram or Discord (at least one; only the organizers see it), country and city.
- ◆ Tick **"I've read and agree to the rules"**: without it the form can't be sent.
- ◆ If all 20 slots are taken you go on the waitlist and move up automatically. No confirmation needed: registering holds your spot.

You need your Population One nickname, country, city and a Telegram or Discord contact (organizers only)." The form fields are: "Population One nickname *" (with a hint "Exactly as in-game"), "Telegram *" (with a hint "@username"), "Discord *" (with a hint "username or name#1234"), "Country *" (with a dropdown "Choose your country"), and "City *" (with a hint "e.g. London"). There is a checkbox for "I've read and agree to the rules" and a "Register" button. A footer note states: "* Telegram or Discord — at least one. Organizers only, never shown publicly."

5 Live: stream, table, chat

During a tournament everything happens on the Live page (the Live button at the top).

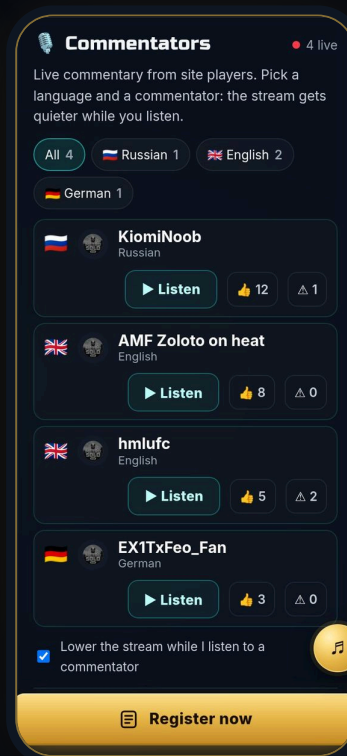

- ◆ The YouTube stream plays right on the site, with the kill feed, the top 5 of every game and the overall standings. It updates by itself.
- ◆ **On-site overlay** on top of the stream: kill feed with weapon icons and flags, a mini table and the zone. The  button keeps it in fullscreen.
- ◆ The site chat and YouTube chat sit next to the stream.
- ◆ **Voice commentators** (**COMING SOON**): registered players will be able to commentate live; viewers pick a commentator, the stream gets quieter while he talks.

6 Season and elimination

Season 1: 12 tournaments plus the Grand Final. Points add up in the season table.

- ◆ After each of Tournaments 1–11 the **3 players with the lowest total are eliminated**. Nobody is eliminated after Tournament 12.
- ◆ Each next tournament adds 3 newcomers. They start with 80% of the active players' average (average 400 → 320).
- ◆ Missing a tournament costs –120. Eliminated or disqualified players can't come back this season.
- ◆ During a tournament the table shows season points plus this tournament, live.

Season table

All the rules in one place: Menu ☰ → Rules.

- ◆ Format: 5 games on Metropolis, solo, one life, lobby of 24, ~1 hour.
- ◆ Registered players: blue PJ only (another skin means a kick, and every missed game costs -20). Invited guest stars may play in any costume; the host wears his own.
- ◆ 🕒 Last place in the table wins \$10 on top of the \$100 winner prize (only players who played; host and stars excluded). Host kills are -50, -100 in Game 5.
- ◆ Teaming -20 per case; stream sniping or multi-accounting means disqualification.
- ◆ The contents at the top jump to any section: points, bonuses, ties, crashes, violations, champion's defence, season, Grand Final, prizes.

9 Grand Final - Metro King

After Tournament 12 the top 10 of the season table play the Grand Final.

- ◆ 10 games, no guest stars, the same scoring. Game 10 counts ×2.
- ◆ Everyone starts the Final from zero: season points only decide who gets in.
- ◆ The winner becomes **Metro King**: \$300 and a crown on the profile and the season page.
- ◆ All 10 finalists qualify automatically for Season 2.

Complaints and suggestions

The report form goes to the organizers only.

- ◆ Menu ☰ → Complaints & suggestions.
- ◆ Types: complaint about results, cheat report, suggestion, nickname change, other.
- ◆ Complaints about results: within 24 hours after the tournament. Add the game number and a proof link if you have one.
- ◆ Changing your nickname? Tell us in advance (type "Nickname change") to keep your points.

The screenshot shows the 'Complaints & suggestions' form in the METRO SOLO app. At the top, there's a header with the app name 'METRO SOLO', a language dropdown set to 'EN', and a 'Live' indicator. Below the header is a 'Back' button. The title 'Complaints & suggestions' is prominently displayed, followed by a subtitle: 'Complaint about results, a cheat report, a suggestion or a nickname change: write to us here. Only the organizers see it.' The form contains several input fields: 'Type' (a dropdown menu currently showing 'Complaint about results'), 'Your Population One nickname' (a text input field), 'Tournament' (a dropdown menu), and 'Game # (optional)' (a dropdown menu). Below these is a 'Message' section with a text area containing the placeholder text 'What happened? For a complaint: game, time, players involved.' and a music icon. At the bottom of the form is a large yellow button labeled 'Register now'.

Support

Donations go to prizes and running the tournament.

- ◆ The ♥ Support button on Home, in the menu and in the footer.
- ◆ Ko-fi, PayPal, Buy Me a Coffee, Boosty and crypto (methods appear as they go live).
- ◆ Thank you for helping!

The screenshot shows the 'Support METRO SOLO' page in the METRO SOLO app. The header is identical to the previous screenshot. Below the header is a 'Back' button. The title 'Support METRO SOLO' is prominently displayed, followed by a subtitle: 'Donations go to prizes and running the tournament. Thank you for helping!'. Below this is a large dark blue box with a red heart icon and the text 'Coming soon: ways to support the tournament will appear here.' At the bottom of the page, there's a section for 'METRO SOLO' with the text 'Weekly tournament · Population One' and 'Community tournament. Not affiliated with, sponsored or endorsed by BigBox VR or Meta. Population One is a trademark of its respective owner.' Below this is the text 'Host: AI.SERGE (MAFIA.AI.SERGE) · Mafia' and a Telegram link '@MetroSoloDev1_bot'. A music icon is also present in the bottom right corner.

Support

The last slide shows where the players come from.

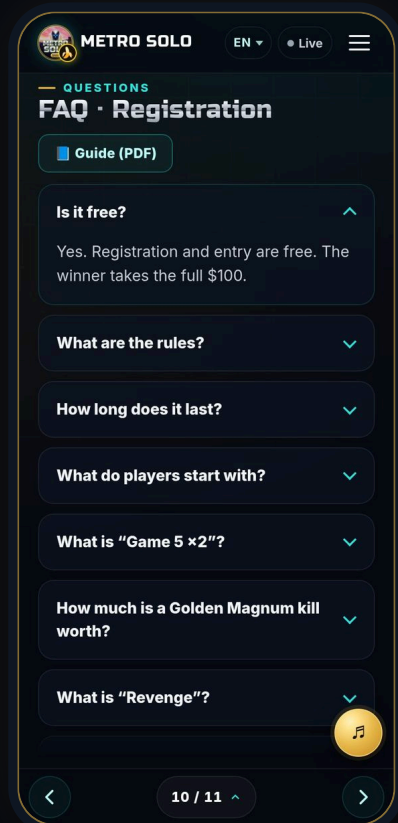

- ◆ Only the city and country from registration are shown, never anything else.
- ◆ Pinch and drag to zoom; tap a point to see the players.

15 The METRO SOLO anthem

The tournament has its own anthem, in all 10 languages.

- ◆ Tap the gold 🎵 button in the bottom-right corner. The anthem starts only when you tap it, never by itself.
- ◆ Your site language plays first; the buttons RU, EN, ES ... switch to another language version.
- ◆ **Lyrics** opens the words, so you can sing along.
- ◆ The music keeps playing while you swipe the slides. ∨ minimizes the player; tap 🎵 to open it again.
